# REFLECTIONS

LOCKPORT WEST HIGH SCHOOL  
LOCKPORT, ILLINOIS

*Paul Winterkamp*

Just as the mirror  
reflects an image or  
likeness, yesterday, too  
is reflected by its triumphs,  
its tragedies, and, indeed, its  
very being. Yesterday's every se-  
cond, minute, and hour retains a minute  
part of itself to reflect for today and  
tomorrow. For us yesterday is images in  
a mirror which carry us into the past. By these  
reflections we relive a fleeting moment, a  
peaceful hour, a joyous day, an exciting  
year. Our purpose, as editors, is not  
to reckon with tomorrow but to focus  
our attention upon yesterday. Now  
we present to you the 1966  
SHIELD, a reflection of  
the year gone by.  
The Editors

ASSISTANT EDITORS. Bonnie Sedlak, layout; Larry Fiarman, photography; Barbara Heggerty, copy.

Carole Scott, messenger; Yvonne Calcaterra, messenger; Gail Prchal, jack-of-all-trades.

Editor-in-chief Virginia Eipers.

Karen Sayers, senior editor, and Diane Wayland, classes editor.

Miss Batson, sponsor.

## DIVISION PAGES FEATURE RODRIQUE'S ARTWORK

"Reflections" was the theme chosen by this year's SHIELD staff, headed by Virginia Eipers. Larry Fiarman, assistant editor in charge of photography, strove to carry out the theme in the pictures. Barb Heggerty wrote the essay on reflections and edited copy. Bonnie Sedlak was in charge of layout—combining all the elements into an attractive arrangement.

The traditional blue and white colors were again retained on the cover and liner. Artwork that carried out the theme of reflections was utilized on the title and division pages.

This year the staff has worked to learn more about yearbook journalism. A seminar was held for all staff members during homerooms in the fall; a workshop was held by the publishers; four staff members will be attending a week session at Northern Illinois University during the summer.

Tony Rodrique drew the division pages while Antoinette Winterkamp designed the title page.

Marie Simunovich was in charge of the faculty section.

Linda Riccio handled the honors section while Donna Batusich covered sports.

Doug Lofstrom and Sue Thomas planned the activities and organizations sections.

# YEARBOOK WORKSHOP

## A FIRST AT WEST

The Lockport West Yearbook staff played host to students and sponsors from Hinsdale South, Lake Geneva, and Lockport Central High Schools at a special workshop. The purpose of the workshop was to educate students working on yearbooks to the latest trends and techniques in photography and layout in yearbook preparation. Only a few schools were invited to permit a smaller teacher-student ratio, thereby enabling the students to ask more questions.

Mr. Gloe, a yearbook technician from the Kansas plant of Inter-Collegiate Press, the publishers of the SHIELD, and Mr. Erickson, the publisher's local representative, presented a slide program demonstrating do's and don'ts in yearbooking.

Mr. Gloe showed the latest in yearbook styles.

Students had an opportunity to see other yearbooks.

Mr. Erickson, representative of the publisher, arranged the meeting.

Carole Schott and Gail Prchal get some ideas and discard some ideas.

Approximately one hundred '65 yearbooks were available for inspection.

# ... Many Activities

All activities of homecoming are supervised by the Student Council.

Student Council members find time for study even while on duty in the Student Council office.

Co-presidents John Levesque and Ben Alexander conducted assemblies.

The purposes of the Student Council are to promote good relations between the administration and the student body, to encourage student participation in school activities, and to recommend ways in which our school may be improved.

The Student Council is an organization consisting of forty-five students elected by their respective classes. John Levesque and Ben Alexander were co-presidents, and Jackie Christopher was the secretary.

Plans for the 1965-1966 school year included a New Year's Eve Dance and a Student Government Day. A constitution was being written. LWSH also played host to the member schools of the Southeast Suburban Conference. Money raising projects were held in order to bring a foreign exchange student to our school next year.

**STUDENT COUNCIL BOARD.** Doug Lofstrom, Bruce Leinen, Earl Smith, John Levesque, Ben Alexander, Bill Hayes, Judy Truax, Karen Roehl, Virginia Eipers, Jackie Christopher.

# RETURN THE

Lockport West's second homecoming continued many traditions begun last year. Floats, displays, courts, and the game commanded the center of attention. The Band, in addition to presenting a snappy half-time show, took top honors in the float competition with their animated Spartan Spray can that "kills 'em dead!" The GAA, despite difficulties with their palm trees, uprooted the competition and took second place honors.

Although work on homecoming floats and other activities, began months before, the official action began with the Pageant Day Assembly. The four girls in each class receiving the most votes from their classmates were introduced. Ben Alexander, Student Council co-president, then read the names of the girls receiving the most votes, as tabulated by the Future Teachers.

Andi Ginnetti leads the cheers at the pep session.

Bill Hayes, Booster Club co-president, lights the bonfire.

The four class attendants and the Queen and King, who was chosen by members of the football team, regally graced the remainder of the homecoming activities.

Due to inclement weather the bonfire scheduled for Thursday night was rescheduled for Friday morning. After the students huddled around the bonfire, they expressed their undampened spirits in a pep assembly in the auditorium.

After a thrilling Spartan victory on the gridiron, the homecoming celebraters danced the hours away at a special hop in the cafeteria. The evening concluded when Audrey Machak, the 1964 homecoming queen, crowned the 1965 Homecoming Queen, Candy Plumb.

# OF SPARTANS

The band steps out a special half-time show.

Captain Earl Smith broke open the game. The FTA stationary display, "Let's Knock the Steam Out of the Boilmakers," won top honors.

"We'll boil 'em over," proclaimed the second place GAA Float.

The band's Spartan Spray "kills 'em dead!" and takes first place in float competition.

The happy crowd watches the half-time show and awaits a Spartan victory.

Senior Attendant Pat Brncich arrives with her date. Queen Candy Plumb prepares to meet her subjects at half-time.

Junior Attendant Judy Cates waves to the admiring crowd.

Sophomore Attendant Anne Mathews and Freshman Attendant Laura Powell smile despite very cold temperatures.

Court of Honor members also included Sherri Tumbarello, Diane Hart, Diane Dragovan, Gail Hart, Toni Tumbarello, Diane Lancaster, Lynn Greear, Sandy Spreitzer, Rose Marie Aguilera, Anne Jurca, Judy Truax.

Audrey Machak, the 1964 Homecoming Queen, crowns Queen Candy Plumb and King Earl Smith, and a moment later the Queen and King enjoy a royal waltz.

With every intention of proving that math can be an interesting and intriguing adventure throughout the year were its officers: Bruce Leinen, President; Cindy Faklis, Vice-President; and Mary Ann Gregorash, Secretary-Treasurer.

President Bruce established a firm foundation during the year by having guest speakers, a field trip, and a project in which members of the club lectured classes on pertinent subjects.

Mr. Houghton, sponsor behind the scenes, assisted the members in publishing their monthly paper "The Determinant." Cindy Faklis and Ellen Mason headed the paper which included various card tricks, riddles, puzzles, and other facets of the math field. All in all, it was a successful year for the math club members as they gained recognition as a contributing organization to school life.

The "citizens" seem to enjoy life in Green Valley.

## GREEN VALLEY

Dazzling scenery and humorous dialogue set the stage for one of the most successful plays of Lockport West High School. Although it was sponsored by the Junior Class, students from all classes displayed their talents and skills. The story centers around Eldon Berry, the last living descendant of the Berry clan. He owns the small paradise of Green Valley where the strangest things happen. But Tobias J. Everheel, a wheelin'-dealin' land grabber, tries his best to fenagle Eldon out of his land. That's where the ancestors turn over in their graves and come back as spirits to assist Eldon to regain the mysterious Green Valley.

Grandpaw Berry (Dale Alvey) trips up the slick, land grabbing Everheel (Bob Cambic), but Prim Stokes (Chris Tingley) and Eldan Berry (Bill Drapak) seem to have fallen for each other.

After two successful performances of the play Chris Tingley laughingly exclaims, "The Ouija board was wrong."

"Of course I understand, dear," Jan Peterson reassures Chris Tingley.

Tony Rodrique interrogates Chris Tingley as Jan Peterson looks on with disapproval.

"I'd give a skinned monkey to know where I'm at," grumbles Tom Dodd.

MURDER TAKES THE VEIL, sponsored by the Senior Class and the first mystery-comedy performed at Lockport West, made its debut on Friday, April 1, and also ran a performance on Saturday April 2, 1966. The story takes place at St. Aurelien's an all-girls college located in the swamps of Louisiana. The school is under the direction of Mother Theodore, an understanding but strict superior. The action begins the day she hires three male instructors to her previous all-sister faculty. Murder, comedy, and a thrilling plot gave the play a mysterious but delightful story, indeed.

"Frankly the trip was unbearable; even the train began to lag when they got near the swampwater," Bob Campic complains to John Levesque.

# SCHOLARSHIP, LEADERSHIP, SERVICE, AND CHARACTER

Scholarship, leadership, service, and character are four traits which are found in a member of the National Honor Society. The National Honor Society's aim is to carry out a plan to display these characteristics as well as possible.

Members of the National Honor Society serve as guides for open house (this year). They also sponsored many candy sales and donated money to the school to buy trees for the campus.

The officers, Bruce Leinen, president; Mary Ann Gregorash, secretary; Ann Brown, treasurer; and Ed Gornik, vice-president; worked together diligently in order to maintain the efficiency that an organization such as this needs.

# VARSITY SLAMS INTO VICTORY

Coach Deskin and Captain Earl Smith looked forward to an exciting season.

The Spartans welcomed their new coach, Mr. Mel Deskin, by rolling over Wheaton North by a six point margin and Marion Catholic by a two point margin in the first two games of the season. In the Homecoming Game against Bradley, the Spartan eleven cooled the Boilermakers by a score of 21 to 19. Two consecutive setbacks were delivered by Rich Central and Tinley Park to Deskin's "Devils." After a scoreless deadlock with Thornton Fractional South, the Spartans climaxed the season with a 7-2 victory over the eleven of Crete-Monee. The final season's performance, a loss to Thornton Fractional North, left the Spartans with an overall record of 4-3-1, the best season for the LWHS team.

John Levesque practices to keep his record-breaking style.

Although confronted with a tough season in the Southeast Suburban Conference, the Lockport West harriers obtained fifth place in the conference standings, their best record since entering competition. John Levesque led the Spartans in every meet, finishing first against Bradley and second against Joliet East. In addition Levesque set a time of 9:33—the fastest time for a Spartan on the 1.9 mile course. Lorenz Merfeld, Jerry Mohler, and Tom Ward finished second, third, and fourth for the Spartans in the last four matches of the season. Chuck Oldham and Bill Olson also ran in the first four for the Spartans. The fine running of Levesque (second), Oldham (sixth), Olson (seventh), Ward (eighth), and Ken Pirc (ninth) against Joliet East and Levesque (third), Merfeld (fourth), Mohler (fifth), and Ward (eighth) against Bradley enabled the West harriers to win the first and fifth meets of the season. The Spartans finished with a 2-6 record.

## Paluska and Moore Join Guidance Staff

Robert Olson guided seniors.

The counseling staff added two new members this year. Leonard Moore came to West after several years experience with the Illinois Youth Commission, and Keith Paluska came from Lockport East High School. The department continued its aptitude and achievement testing program. In addition, these men arranged visits of representatives from businesses, industries, military services, vocational schools and colleges to assist the students in making plans after completing their high school education. In the spring work also began on converting student records to data processing forms, which will be used next year.

Leonard Moore discussed further education and employment opportunities with juniors.

Walter Baxendale counseled sophomores.

Keith Paluska welcomed the freshmen.

With the acquisition of new equipment such as electric type-writers for Typing II students and a thirty station steno lab for Steno II students, who formed a steno pool for various offices and teachers in the school, the Business Dept. was further able to fulfill their aim—preparing students for future careers in the business world. For the first time this year, certificates of proficiency will be given to students completing the course of study in three areas: clerical, general, and secretarial.

With the return of Thomas Heggerty, the Math Dept. staff was increased to meet rising enrollments. Some events of the 1965-1966 school year concerning mathematics were the National Math Contest, which Mr. Green states, "offers a difficult and stimulating challenge for better students," and an assembly about college mathematics at which Dr. Anice Seybald, Head of the Math Dept. at North Central College was the main speaker.

"Two stretchers, gauze, casts...yes, we're ready for football season."

The big news in the PE Department this year was the arrival of the trampoline. Both boys and girls found the trampoline to be a challenge to their physical abilities.

Physical fitness tests were given in the fall and some students were assigned to adaptive physical education in an attempt to improve performances in areas showing weakness. The tests were given in the spring to measure student progress.

The coaches and Mr. Kappmeyer looked forward to the beginning of play in the new conference, the Illini Eight.
